July 29,, 2020

Dear Elves' Families, Caregivers, and Staff:

On July 29, 2020, the City of Edmonton passed a bylaw indicating that effective August 01, 2020, masks must be worn inside all publicly-accessible indoor spaces until the end of 2020. These spaces including retail stores, restaurants, entertainment venues, recreation centres and vehicle-for-hire services in Edmonton.

The Edmonton Journal cites that the rule won't currently apply to buildings under provincial jurisdiction including schools, hospitals and child care facilities, but city council does have the authority to amend the bylaw to include these areas. However, to ensure the safety of our community, Elves will be adopting the practice for all staff and non-personnel effective next week. Due to age, cognitive and physical needs of the children, youth and adults that Elves serves, masks use will not be enforced for those program participants who cannot manage the donning and doffing of masks independently.
