

RECORD OF DECISION—CMOH Order 02-2020

Re: 2020 COVID-19 Response

I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

This investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Under section 29(2.1) of the *Public Health Act* (the Act), I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person's engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Therefore, having determined that certain activities could transmit COVID-19 as an infectious agent and that certain other steps are necessary to lessen the impact of the public health emergency, I hereby make the following Order:

Effective immediately, all persons in the Province of Alberta are prohibited from attending the following locations or places where the activities listed are taking place:

1. Mass gatherings of more than 50 attendees. This includes places of worship, gatherings and family events such as weddings. Grocery stores, shopping centres, health care facilities, airports, the legislature and other essential services are not included.
2. Public recreational facilities and private entertainment facilities, including but not limited to, gyms, swimming pools, arenas, science centres, museums, art galleries, community centres, children's play centres, casinos, racing entertainment centres, and bingo halls.
3. Bars and nightclubs where minors are prohibited by law.

The above prohibitions do not apply, or apply with modifications set out below, to the following locations or places where the activities listed are taking place:

4. Albertans can attend restaurants, cafes, coffee shops, food courts and other food-serving facilities, including those with a minors-allowed liquor license. Such locations are limited to 50 per cent of their stated capacity, up to a maximum limit of 50 persons within a given location or place.

5. Take-out, delivery or drive-through food services are permitted. Licensed facilities are also permitted to deliver liquor.
6. Not-for-profit community kitchens, soup kitchens and religious kitchens are exempt, but sanitization practices must be utilized and followed.

This Order remains in effect until rescinded by the Chief Medical Officer of Health.

Signed on this 17 day of March, 2020.

Deena Hinshaw, MD
Chief Medical Officer of Health

Alberta
